### View of the account if none of the orders are placed:

The screenshot shows a web browser at localhost/Tutorial\_1/Account. The navigation bar includes links for HOME, PHONES, SMART SPEAKERS (active), LAPTOPS, WEARABLE TECHNOLOGY, VIEWORDER, AVINASHSL, ACCOUNT, ADDCUSTOMER, LOGOUT, and a shopping cart icon with 0 items. On the left, there are two sidebars: 'PRODUCTS' with links to Phones, Smart Speakers, Laptops, Fitness Watch, Smart Watch, Headphones, Virtual Reality, and Pet Tracker; and 'HELPFUL WEBSITES' with links to Google, Facebook, Amazon, Walmart, Best Buy, and Target. The main content area is titled 'Account' and displays a red message: 'You have not placed any order with this order id'. Below this message is a table showing user details.

User Name:	AvinashSL
User Type:	manager

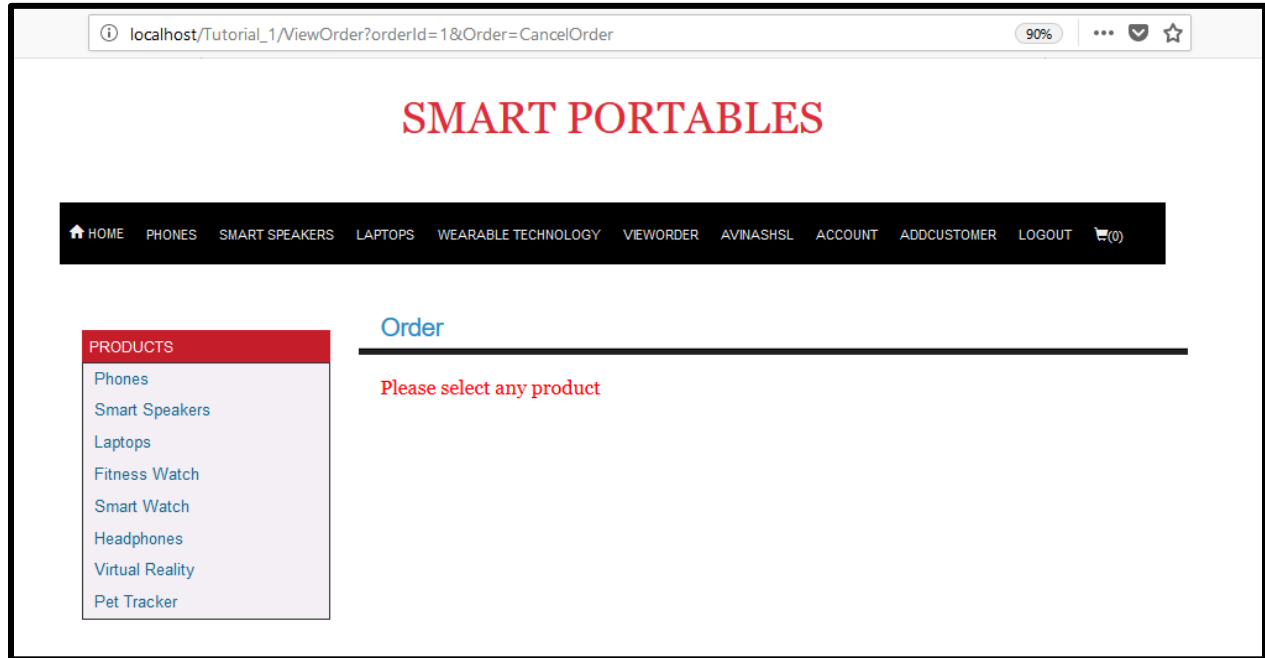

### View of account after creation of orders:

The screenshot shows the same account page, but now it displays a list of orders. The 'ACCOUNT' link in the navigation bar is active. The main content area shows the user details table followed by a table of orders. Each order row includes a radio button, an order ID, the username, the product ordered, the price, and three action buttons: 'CancelOrder', 'AddOrder', and 'EditOrder'.

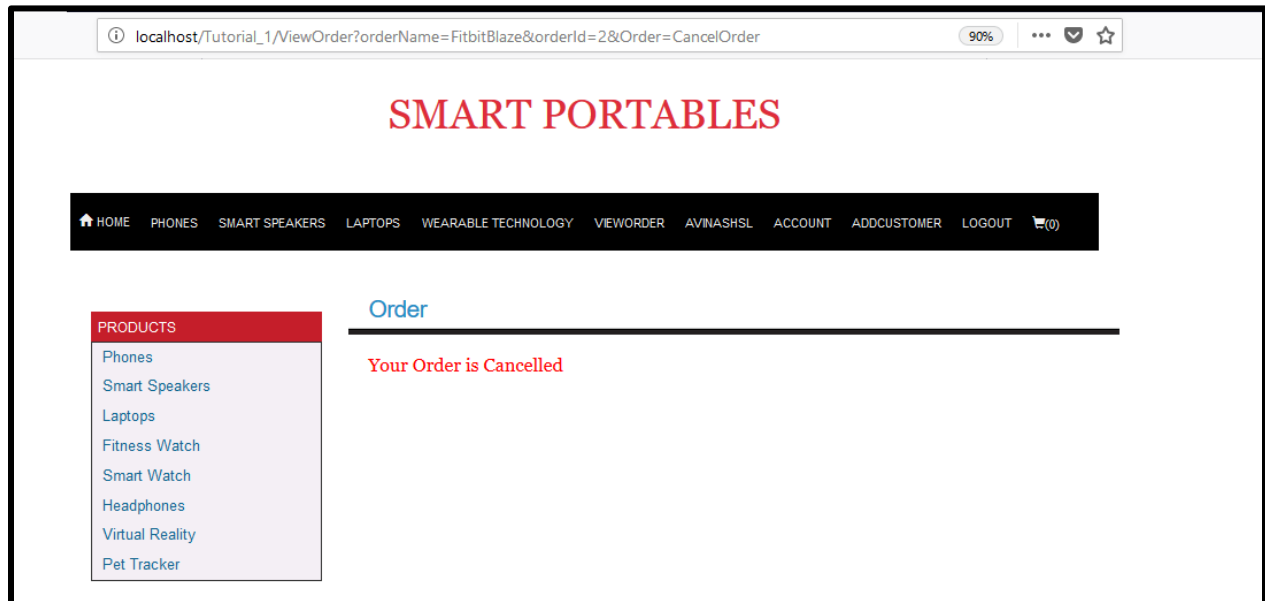

User Name:	AvinashSL
User Type:	manager

	OrderId:	UserName:	productOrdered:	productPrice:			
<input type="radio"/>	1.	AvinashSL	Apple6	Price: 189.99	CancelOrder	AddOrder	EditOrder
<input type="radio"/>	2.	AvinashSL	FitbitBlaze	Price: 149.99	CancelOrder	AddOrder	EditOrder

Trying to cancel an order without selection of an order:

Cancelling an order after selecting using radio buttons:

Adding an order by entering the product name:

The screenshot shows a web browser window with the URL `localhost/Tutorial_1/AddOrder?orderId=1&userName=AvinashSL&Order=AddOrder`. The page features a navigation bar with links: HOME, PHONES, SMART SPEAKERS, LAPTOPS, WEARABLE TECHNOLOGY, VIEWORDER, AVINASHSL, ACCOUNT, ADDCUSTOMER, LOGOUT, and a shopping cart icon with 0 items. The main heading is "SMART PORTABLES". Below the navigation bar, there is a "PRODUCTS" sidebar with a list of categories: Phones, Smart Speakers, Laptops, Fitness Watch, Smart Watch, Headphones, Virtual Reality, and Pet Tracker. The main content area is titled "Order" and contains a form with the label "Enter the Product name :". The input field contains the text "Topffy|", and there is a green "Add" button next to it.

If the product name entered exists, then the order is placed:

The screenshot shows the same web browser window, but the URL has changed to `localhost/Tutorial_1/ViewOrder?productName=Topffy&Order=Add&userName=AvinashSL&orderId=1`. The page layout is identical to the previous one, but the main content area now displays the message "Order Has been added.." in red text, indicating a successful order placement.

If the entered product name doesn't exist:
